

part no.	description	Won	unit
0711A300A00-01	Expanding rivet 5,5 – 6,4 mm, fits race tail short, black	1,200	piece
0711A300A01-01	Expanding rivet 5,0 – 5,2 mm, fits wind screen, black	1,200	piece
0711A600A00-01	Safety wire stainless steel d=0.8mm, coil 30m	21,600	piece
0751A100A00-01	Cleaning kit BMC racing filter, contains cleaner and filter oil	40,800	piece
0758A100A01-01	Power bond Terostat 9220, 80 ml, non flammable	20,400	piece
0758A110A01-01	Special bond for Renthal grips, 25ml	13,200	piece
1113A001A00-01	Magnetic oil drain plug racing BMW S1000RR, aluminium, M16x1,5 hexagon, with fixing holes for safety wiring, incl. aluminium washer	33,600	piece
1114A001A10-01	Alternator cover protection kit carbon BMW S1000RR, incl. mounting parts	280,800	piece
1114A001A20-01	Clutch cover protection kit carbon BMW S1000RR, incl. mounting parts	230,400	piece
1114A001A30-01	Timing chain cover protection kit carbon BMW S1000RR, incl. mounting parts	176,400	piece
1114A007A01-01	Sprocket Cover Carbon, high quality carbon looking	260,400	piece

1124A004B00-01	Connecting rod kit alpha Racing, forged, 4 pieces, length 103mm, made from high quality special steel, weight optimized (300g), spec conrod screws MP35N, fits alpha Racing and OEM bearings and pistons	3,710,400	set
1125A082A00-01	Piston ring kit for alpha Racing pistons, consists of piston ring1 – 0,8mm, piston ring 2 – 0,8mm, oil scraper ring – 1,5mm, fits also OEM pistons	566,400	set
1125A085A00-01	alpha Racing high compression piston kit, forged, with rings, pins and clips, weight optimized, to be used with alpha Racing stage 3 camshafts	2,967,600	set
1131A005X00-01	Camshaft set alpha Racing stage 3, IN 10,8 mm, 254° / EX 9,6 mm, 252°, vibrofinished and DLC coated	3,079,200	set
1131A006X00-01	Camshaft set alpha Racing stage 1, IN 9,9mm, 252° / EX 8,7mm, 252°, vibrofinished and DLC coated	2,674,800	set
1134A100A00-01	alpha Racing valve spring kit V1, containing 8 twin intake springs with preload shims, 8 exhaust springs, 16 weight optimized and surface treated steel retainers and 16 valve seals	1,510,800	set
1134A100B00-01	alpha Racing valve spring kit V2, containing 8 twin intake springs, 8 exhaust springs, 16 weight optimized and surface treated steel retainers and 16 valve seals, possible rev limit 14.800 rpm	1,870,800	set
1143A000A00-01	Oil filler plug kit alpha Racing BMW S1000RR, oil filler plug M18x2, pre-drilled for safety wiring, black anodised, stainless steel safety wire with clip and bracket, engine cover screw ISA M6x35	50,400	piece
1143A001A00-01	Oil filler plug alpha Racing BMW S1000RR, M18x2, pre-drilled for safety wiring, black anodised	37,200	piece
1161A005A00-01	Clamp kit for rubber connector throttle body BMW S1000RR, S58/9 type ZY, special with cylinder head screw M4x25, 4 pieces	54,000	piece
1161A050A01-01	Plug kit intake rubber connector alpha Racing, ergonomically formed, black with alpha Racing logo, to seal the intake when removing the throttle body	99,600	set
1172A001A00-01	Cover set secondary air system BMW S1000RR, for valve cover, incl. o-rings, black anodised, with alpha Racing Logo	139,200	pair

1173A001A00-01	cover secondary air system BMW S1000RR, for airbox, incl. o-ring, black anodised, with alpha Racing Logo	93,600	piece
1212A010A00-01	Spark plug NGK R0470A-10 Racing BMW S1000RR	256,800	piece
1354A100A00-01	Throttle housing alpha Racing cpl., for removing original switch unit right, CNC machined aluminum, black anodised, with alpha Racing logo, contains upper and bottom part with screws, fits alpha Racing fast throttle kit and stock cables	241,200	piece
13618522449-01	Unlock code HP Race Calibration Kit, required to activate the functionalities of the Calibration Kit in the HP Race ECU	2,032,800	piece
13618522450-01	Unlock Code HP Race Power Kit ECU, required to activate the HP Race ECU and contains the specific dataset	841,200	piece
13618523966-01	HP Race Power Kit ECU – Engine control unit with racing mapping to complete any tuning step, modified setting for ABS and DTC included	1,471,200	piece
1372A100A00-01	alpha Racing air filter by BMC, BMW S1000RR, special filter for better performance	199,200	piece
1611A001A00-01	Fuel cap "screw in", black anodised	180,000	piece
1611A002A00-01	Fuel cap "quick action", black anodised	180,000	piece
1611A045A00-01	Fuel tank foam (cube) 400x350x250, black PU foam made from rubber mesh, amount equals 35 ltrs.	382,800	piece
1614A100A00-01	Fuel drain kit BMW S1000RR, cpl. with loom to connect to stock loom, t-pipe, 5 hose clamps, quick action fastener, fuel hose and connector	252,000	set
17117687715-01	Radiator cap 1.8 bar, fits OEM radiator	39,600	piece

1711A110A01-01	Add-on radiator alpha Racing BMW S1000RR, fits behind OEM radiator, incl. tubes, connector hoses and clips, reduces water temperature up to 10%	1,420,800	set
1711A115A00-01	Kit radiator alpha Racing, hand welded, optimized high performance radiator and removable oil radiator with hose clamp connectors, fits to alpha Racing fairing kits (little modifications), same upper fixing points as stock radiator, bottom fixing plate	5,976,000	set
1712A001A00-01	Hose Coolant Kit Racing BMW S1000RR, silicone with alpha Racing logo, fits OEM radiator	306,000	piece
2121A005H00-01	Slipper clutch STM BMW S1000RR, CNC machined, to be used with OEM clutch package	1,840,800	piece
2121A100A00-01	alpha Racing modified OEM clutch, hub hardcoated, incl. springs and retainers, with alpha Racing logo	1,384,800	piece
2771A009A00-01	Sprocket Aluminium, gold anodised, T39, pitch 520, for original rim	91,200	piece
2771A009B00-01	Sprocket Aluminium, silver anodised, T39, pitch 520, for original rim	91,200	piece
2771A010A00-01	Sprocket Aluminium, gold anodised, T40, pitch 520, for original rim	91,200	piece
2771A010B00-01	Sprocket Aluminium, silver anodised, T40, pitch 520, for original rim	91,200	piece
2771A011A00-01	Sprocket Aluminium, gold anodised, T41, pitch 520, for original rim	91,200	piece
2771A011B00-01	Sprocket Aluminium, silver anodised, T41, pitch 520, for original rim	91,200	piece
2771A012A00-01	Sprocket Aluminium, gold anodised, T42, pitch 520, for original rim	91,200	piece

2771A012B00-01	Sprocket Aluminium, silver anodised, T42, pitch 520, for original rim	91,200	piece
2771A013A00-01	Sprocket Aluminium, gold anodised, T43, pitch 520, for original rim	91,200	piece
2771A013B00-01	Sprocket Aluminium, silver anodised, T43, pitch 520, for original rim	91,200	piece
2771A014A00-01	Sprocket Aluminium, gold anodised, T44, pitch 520, for original rim	91,200	piece
2771A014B00-01	Sprocket Aluminium, silver anodised, T44, pitch 520, for original rim	91,200	piece
2771A015A00-01	Sprocket Aluminium, gold anodised, T45, pitch 520, for original rim	91,200	piece
2771A015B00-01	Sprocket Aluminium, silver anodised, T45, pitch 520, for original rim	91,200	piece
2771A016A00-01	Sprocket Aluminium, gold anodised, T46, pitch 520, for original rim	91,200	piece
2771A016B00-01	Sprocket Aluminium, silver anodised, T46, pitch 520, for original rim	91,200	piece
2771A018A00-01	Sprocket Aluminium, gold anodised, T38, pitch 520, for Racing rim	91,200	piece
2771A018B00-01	Sprocket Aluminium, silver anodised, T38, pitch 520, for racing rim	91,200	piece
2771A019A00-01	Sprocket Aluminium, gold anodised, T39, pitch 520, for Racing rim	91,200	piece

2771A019B00-01	Sprocket Aluminium, silver anodised, T39, pitch 520, for racing rim	91,200	piece
2771A020A00-01	Sprocket Aluminium, gold anodised, T40, pitch 520, for Racing rim	91,200	piece
2771A020B00-01	Sprocket Aluminium, silver anodised, T40, pitch 520, for racing rim	91,200	piece
2771A021A00-01	Sprocket Aluminium, gold anodised, T41, pitch 520, for Racing rim	91,200	piece
2771A021B00-01	Sprocket Aluminium, silver anodised, T41, pitch 520, for racing rim	91,200	piece
2771A022A00-01	Sprocket Aluminium, gold anodised, T42, pitch 520, for Racing rim	91,200	piece
2771A022B00-01	Sprocket Aluminium, silver anodised, T42, pitch 520, for racing rim	91,200	piece
2771A023A00-01	Sprocket Aluminium, gold anodised, T43, pitch 520, for Racing rim	91,200	piece
2771A023B00-01	Sprocket Aluminium, silver anodised, T43, pitch 520, for racing rim	91,200	piece
2771A024A00-01	Sprocket Aluminium, gold anodised, T44, pitch 520, for Racing rim	91,200	piece
2771A024B00-01	Sprocket Aluminium, silver anodised, T44, pitch 520, for racing rim	91,200	piece
2771A025A00-01	Sprocket Aluminium, gold anodised, T45, pitch 520, for Racing rim	91,200	piece

2771A025B00-01	Sprocket Aluminium, silver anodised, T45, pitch 520, for racing rim	91,200	piece
2771A026A00-01	Sprocket Aluminium, gold anodised, T46, pitch 520, for Racing rim	91,200	piece
2771A026B00-01	Sprocket Aluminium, silver anodised, T46, pitch 520, for racing rim	91,200	piece
2771A029C00-01	Sprocket Aluminium, gold anodised, T39, pitch 525, for racing rim	103,200	piece
2771A030C00-01	Sprocket Aluminium, gold anodised, T40, pitch 525, for racing rim	103,200	piece
2771A031C00-01	Sprocket Aluminium, gold anodised, T41, pitch 525, for racing rim	103,200	piece
2771A032C00-01	Sprocket Aluminium, gold anodised, T42, pitch 525, for racing rim	103,200	piece
2771A033C00-01	Sprocket Aluminium, gold anodised, T43, pitch 525, for racing rim	103,200	piece
2771A034C00-01	Sprocket Aluminium, gold anodised, T44, pitch 525, for racing rim	103,200	piece
2771A034D00-01	Sprocket Aluminium, silver anodised, T44, pitch 525, part of street legal kit for racing rim	103,200	piece
2771A035C00-01	Sprocket Aluminium, gold anodised, T45, pitch 525, for racing rim	103,200	piece
2771A036C00-01	Sprocket Aluminium, gold anodised, T46, pitch 525, for racing rim	103,200	piece

2771A036D00-01	Sprocket Aluminium, silver anodised, T46, pitch 525, for racing rim	103,200	piece
2771A049A00-01	Sprocket Aluminium, gold anodised, T39, pitch 525, for original rim	103,200	piece
2771A050A00-01	Sprocket Aluminium, gold anodised, T40, pitch 525, for original rim	103,200	piece
2771A050B00-01	Sprocket Aluminium, silver anodised, T40, pitch 525, for original rim	103,200	piece
2771A051A00-01	Sprocket Aluminium, gold anodised, T41, pitch 525, for original rim	103,200	piece
2771A051B00-01	Sprocket Aluminium, silver anodised, T41, pitch 525, for original rim	103,200	piece
2771A052A00-01	Sprocket Aluminium, gold anodised, T42, pitch 525, for original rim	103,200	piece
2771A052B00-01	Sprocket Aluminium, silver anodised, T42, pitch 525, for original rim	103,200	piece
2771A053A00-01	Sprocket Aluminium, gold anodised, T43, pitch 525, for original rim	103,200	piece
2771A053B00-01	Sprocket Aluminium, silver anodised, T43, pitch 525, for original rim	103,200	piece
2771A054A00-01	Sprocket Aluminium, gold anodised, T44, pitch 525, for original rim	103,200	piece
2771A054B00-01	Sprocket Aluminium, silver anodised, T44, pitch 525, for original rim	103,200	piece

2771A055A00-01	Sprocket Aluminium, gold anodised, T45, pitch 525, for original rim	103,200	piece
2771A055B00-01	Sprocket Aluminium, silver anodised, T45, pitch 525, for original rim	103,200	piece
2771A056A00-01	Sprocket Aluminium, gold anodised, T46, pitch 525, for original rim	103,200	piece
2771A056B00-01	Sprocket Aluminium, silver anodised, T46, pitch 525, for original rim	103,200	piece
2771HP4A41-01	Sprocket Aluminium, silver anodised, T41, pitch 520, for HP4 rim	91,200	piece
2771HP4A42-01	Sprocket Aluminium, silver anodised, T42, pitch 520, for HP4 rim	91,200	piece
2771HP4A43-01	Sprocket Aluminium, silver anodised, T43, pitch 520, for HP4 rim	91,200	piece
2771HP4A44-01	Sprocket Aluminium, silver anodised, T44, pitch 520, for HP4 rim	91,200	piece
2771HP4A45-01	Sprocket Aluminium, silver anodised, T45, pitch 520, for HP4 rim	91,200	piece
2771HP4A46-01	Sprocket Aluminium, silver anodised, T46, pitch 520, for HP4 rim	91,200	piece
2771HP4B41-01	Sprocket Aluminium, silver anodised, T41, pitch 525, for HP4 rim	91,200	piece
2771HP4B42-01	Sprocket Aluminium, silver anodised, T42, pitch 525, for HP4 rim	91,200	piece

2771HP4B43-01	Sprocket Aluminium, silver anodised, T43, pitch 525, for HP4 rim	91,200	piece
2771HP4B44-01	Sprocket Aluminium, silver anodised, T44, pitch 525, for HP4 rim	91,200	piece
2771HP4B45-01	Sprocket Aluminium, silver anodised, T45, pitch 525, for HP4 rim	91,200	piece
2771HP4B46-01	Sprocket Aluminium, silver anodised, T46, pitch 525, for HP4 rim	91,200	piece
2772A001B00-01	Racing chain Regina 520 pitch, 124 links, WSBK version	420,000	piece
2772A001C00-01	Racing chain DID 520 pitch, 120 links, ZVM-X G&G	282,000	piece
2772A011B00-01	Racing chain DID 525 pitch, 120 links, ZVM-X G&G	321,600	piece
2772A030A01-01	Sprocket 520 T14 BMW S1000RR	54,000	piece
2772A030B01-01	Sprocket 525 T14 BMW S1000RR	63,600	piece
2772A031A01-01	Sprocket 520 T15 BMW S1000RR	54,000	piece
2772A031B01-01	Sprocket 525 T15 BMW S1000RR	63,600	piece
2772A032A01-01	Sprocket 520 T16 BMW S1000RR	54,000	piece

2772A032B01-01	Sprocket 525 T16 BMW S1000RR	63,600	piece
2772A033A01-01	Sprocket 520 T17 BMW S1000RR	54,000	piece
2772A033B01-01	Sprocket 525 T17 BMW S1000RR	63,600	piece
2772A055B00-01	Chain failure guard kit alpha Racing, protects crankcase against damage and prevents chain slack, complete with bushings and screws	150,000	piece
3142A001A00-01	Öhlins Cartridge Kit 30mm BMW S1000RR	2,977,200	piece
3142A002B00-01	Öhlins FG R/T front fork 43mm 2009-, fits HP4	6,081,600	piece
3142A003A00-01	Öhlins Cartridge Kit TTX 25 BMW S1000RR	5,047,200	piece
3142A004B00-02	Öhlins FGR300 Racing WSBK front fork, with TTX25 pressurized 30mm cartridge kit, strengthened outer tubes, coloured adjustable compression and rebound, length 750mm	#####	piece
3142A009A00-01	Wheel shaft Bitubo RDH/Öhlins FGR fork, made from high tensile stainless steel D25x3mm, adjustable length	352,800	piece
3142A015A00-01	Cover for stock top triple clamp when removing ignition lock, aluminum black anodized, with alpha Racing logo	39,600	piece
3142A045A01-01	Stroke indicator front fork 43 mm, including spring ring	30,000	piece
3142A046A00-01	Stroke indicator front fork 46 mm, including spring ring	30,000	piece

3142A054A00-01	Bracket for suspension sensor front fork, right side mounted, made from carbon	87,600	piece
3142A080A00-01	Racing triple clamps BMW S1000RR 212mm for WSBK forks, CNC machined, upper clamp d=52mm, bottom d=58mm, with steering shaft und offset bushings 0mm and 2mm, base offset 30mm, 28mm and 32mm possible, colour aluminium silver	1,596,000	set
3142A085A00-01	Racing triple clamps BMW S1000RR 212mm for stock forks, CNC machined, upper clamp d=55mm, bottom d=56mm, with steering shaft und offset bushings 0mm and 2mm, base offset 30mm, 28mm and 32mm possible, colour aluminium silver	1,596,000	set
3142A130A00-01	Racing triple clamps WSBK spec, 212mm for stock forks, CNC machined, upper clamp 212x28x55mm, bottom clamp 212x28x56mm, with steering shaft 30mm with bolt and mounting bracket for steering damper, high quality aluminium black anodised with alpha Racing Logo, fits all BMW S1000RR and HP4	1,605,600	set
3142A130B00-01	Racing triple clamps WSBK spec, 212mm for Bitubo RDH/Öhlins FGR forks, CNC machined, upper clamp 212x28x52mm, bottom clamp 212x28x58mm, with steering shaft 30mm with bolt and mounting bracket for steering damper, high quality aluminium black anodised with alpha Racing logo, fits all BMW S1000RR and HP4	1,605,600	set
3271A001B01-01	Handle bar set, 7 ° tube angle, with fix clamp d=55mm, BMW S1000RR	426,000	piece
3271A001B02-01	Handle bar set, 7° tube angle with retractable clamp d=55mm for fast mounting and racing purposes, BMW S1000RR	532,800	set
3271A001B11-01	Handle bar tube 270 mm, fits handle bar set 7°, BMW S1000RR	94,800	piece
3271A001B19-01	Plug for alpha Racing handle bar set with inner diameter 15 mm	2,400	piece
3271A001B40-01	Steering stopper, right/left, black, BMW S1000RR	80,400	set
3271A002A00-01	Grips RENTHAL medium compound, full-diamond pattern	24,000	pair
3271A004A00-01	Fast throttle kit BMW S 1000 RR, complete with hard compound grips and grip glue, cable roll d=48mm, travel reduced by 10° (78° to 68°), to be used with OEM throttle cables, fits OEM and accessory handlebars and retainer flasher unit	190,800	piece

3271A004A01-01	Fast throttle kit BMW S 1000 RR, complete with medium compound grips and grip glue, cable roll d=48mm, travel reduced by 10° (78° to 68°), to be used with OEM throttle cables, fits OEM and accessory handlebars and retainer flasher unit	190,800	piece
3271A004B01-01	Fast throttle kit BMW S1000RR, complete with medium compound grips, cable roll d=50mm, travel reduced by 15° (78° to 63°), to be used with OEM throttle cables, fits OEM and accessory handlebars and retainer flasher unit	190,800	piece
3271A005A00-01	Grips RENTHAL hard compound, full-diamond pattern	24,000	pair
3271A013A00-01	Brembo radial master cylinder 19RCS, CNC machined from forged Aluminum, piston diameter 19mm, adjustable ratio 18mm or 20mm, threat M10x1, with folding lever	651,600	piece
3271A026A00-01	Steering damper Öhlins SD033 BMW S1000RR, -2011	848,400	piece
3271A026B00-01	Steering damper Öhlins SD038 BMW S1000RR, 2012-	848,400	piece
3272A001A00-01	Brake lever Racing long, folding, black anodised, adjustable lever position (remote optional), with alpha Racing logo, CNC milled from high quality aluminum, length: 195mm	190,800	piece
3272A001A01-01	Brake lever blade Racing long, black anodised, with alpha Racing logo, CNC machined from high quality aluminum, length: 195mm	82,800	piece
3272A001B00-01	Brake lever Racing short, folding, black anodised, adjustable lever position (remote optional), with alpha Racing logo, CNC milled from high quality aluminum, length: 175mm	190,800	piece
3272A001B01-01	Brake lever blade Racing short, black anodised, with alpha Racing logo, CNC machined from high quality aluminum, length: 175mm	82,800	piece
3272A003A00-01	Remote adjuster alpha Racing for brake lever Racing and for Brembo RCS master cylinder	138,000	piece
3272A015A00-01	Cap for brake fluid reservoir, black anodised with S1000RR logo and www.alpharacing.com writing	66,000	piece

3272A016A00-01	Brembo brake reservoir kit for radial master cylinder 19RCS, reservoir with hose and bracket	141,600	piece
3272A020A00-01	Clutch lever Racing long, folding, black anodised, with alpha Racing logo, CNC milled from high quality aluminum, length: 190mm	151,200	piece
3272A020A01-01	Clutch lever blade Racing long, black anodised, with alpha Racing logo, CNC machined from high quality aluminum, length: 190mm	82,800	piece
3272A020B00-01	Clutch lever Racing short, folding, black anodised, with alpha Racing Logo, CNC milled from high quality aluminum, length: 170mm	151,200	piece
3272A020B01-01	Clutch lever blade Racing short, black anodised, with alpha Racing logo, CNC machined from high quality aluminum, length: 170mm	82,800	piece
3272A021A00-01	Clutch lever Racing long, complete with clamp support, folding, black anodised, with alpha Racing logo, CNC machined from high quality aluminum, length: 190mm	235,200	piece
3272A050A00-01	Reservoir sock cover alpha Racing, 7x4,5cm, 80% cotton, 20% elasthan, black with 3D alpha Racing logo	18,000	piece
3311A996A00-01	Brake fluid Brembo LCF 600 plus DOT4, 0,5 liter bottle	57,600	piece
3317A040A00-01	Chain Adjuster Kit alpha Racing, BMW S1000RR, black anodized with alpha Racing logo	103,200	pair
3317A044A00-01	Hexagonal nut M24x1,5 for rear axle shaft, aluminum Ergal anodised, CNC machined, wrench size 32mm	52,800	piece
3352A000B00-01	Öhlins rear shock TTX 36 MK II BMW S1000RR, 2012-	3,111,600	piece
3352A000C00-01	Öhlins rear shock TTX 36 MK II BMW S1000RR, -2011	3,111,600	piece

3352A000D00-01	Öhlins rear shock TTX 36 MK II BMW HP4	3,111,600	piece
3411A000P00-01	Brembo Racing caliper GP4-RR 32/36 left, nickel-plated monobloc radial caliper with 4 titan pistons, 2 single brake pads (not included, we recommend M029Z04), distance between screws 108mm for WSBK fork, for brake discs 4,5 – 6mm and 30mm rotor height, weight without pads 640g	3,682,800	piece
3411A005P00-01	Brembo caliper M4 34/34 right/left, anodised monobloc radial caliper, 2 single brake pads, distance between screws 108mm for WSBK fork, offset 22,5mm, for brake discs 4,5 – 6mm and 34mm rotor height, weight without pads 800g	1,598,400	set
3411A005P01-01	Brembo caliper M4 34/34 right/left, anodised monobloc radial caliper, 2 single brake pads included, distance between screws 100mm for OEM fork, offset 30mm, for brake discs 4,5 – 6mm and 34mm rotor height, weight without pads 800g	1,598,400	set
3411A008A00-01	alpha Racing screw set for OEM front brake caliper BMW S1000RR, cylinder screws M8x30 and M8x40 high-tensile (12.9) with shaft, complete kit for 1 bike	66,000	piece
3411A010P00-01	Brembo caliper GP4-RR 32/36 right, nickel-plated monobloc radial caliper with 4 titan pistons, 2 single brake pads (not included, we recommend M029Z04), distance between screws 108mm for WSBK fork, for brake discs 4,5 – 6mm and 30mm rotor height, weight without pads 640g	3,682,800	piece
3411A050B00-01	Brembo Racing brake caliper kit GP4 RX 4-piston 32/32, fits BMW S1000RR OEM fork, aluminum CNC machined, nickel coated, 100mm hole distance, fits brake discs 4,5-5,5mm, 34mm rotor height, weight 1000 gr., offset 22,5mm, brake line fitting M10x1, brake pads included	3,198,000	set
3411A100A00-01	Front brake disc 320 x 5,0 mm for racing wheel magnesium or aluminium, carbon/steel, full floating, black anodized aluminium inner ring, with ABE!	478,800	piece
3411A100A05-01	Front brake disc 320 x 5,0 mm for BMW OEM wheel, in high-quality steel, full floating, black anodized aluminium inner ring, with ABE!	478,800	piece
3411A100A06-01	Front brake disc 320 x 5,0 mm for BMW OEM wheel, in high-quality steel, full floating, black anodized aluminium inner ring, with ABE!	565,200	piece
3411A100B01-01	Front brake disc 320 x 5,5 mm EVO right, fits racing wheel magnesium or aluminium, carbon/steel, full floating, black anodized aluminium inner ring, modified design for better performance and improved heat dissipation	567,600	piece
3411A100B02-01	Front brake disc 320 x 5,5 mm EVO left, fits racing wheel magnesium or aluminium, carbon/steel, full floating, black anodized aluminium inner ring, modified design for better performance and improved heat dissipation	567,600	piece

3411A100B05-01	Front brake disc 320 x 5,5 mm EVO right, for BMW OEM wheel, in high-quality steel, full floating, black anodized aluminium inner ring, modified design for better performance and improved heat dissipation	565,200	piece
3411A100B06-01	Front brake disc 320 x 5,5 mm EVO left, for BMW OEM wheel, in high-quality steel, full floating, black anodized aluminium inner ring, modified design for better performance and improved heat dissipation	565,200	piece
3411A106A00-01	Front brake disc Brembo Racing 320 x 6 mm, 30 mm piste, no offset, for racing wheel magnesium or aluminium, full floating, black anodized aluminium inner ring, no offset, inner diameter 64mm, hole circle of 80mm, 6 holes with d=8,2mm	847,200	piece
3411A110B00-01	Brake pad set front Duo Sinter Racing BMW S1000RR, 4 pads per unit, pad thickness 9 mm, plate thickness 4,5 mm	255,600	set
3411A111C00-01	Brake pad set front Duo Carbon (DC10) BMW S1000RR, 4 pads per unit, pad thickness 8,7 mm, plate thickness 4,5 mm, (compound 5765-41/120)	123,600	set
3411A120B00-01	Brake pad set front Duo Sinter Racing BMW S1000RR HP4, 2 pads per unit, pad thickness 7,7 mm, plate thickness 4,5 mm	213,600	set
3411A120C00-01	Brake pad set front Duo Carbon (DC10) BMW S1000RR HP4, 2 pads per unit, pad thickness 7,7 mm, plate thickness 4,5 mm	128,400	set
3411A200A00-01	Brake pad set front Brembo Racing Z04 BMW S1000RR (4 pcs.), pad thickness 8mm, back plate thickness 4,5mm, for OEM brake caliper	482,400	set
3411A201A00-01	Brake pad front Brembo Racing Z04, pad thickness 9,5mm, back plate thickness 4mm, for Brembo Racing brake caliper P4 34/38	247,200	piece
3411A230P00-01	Brake pad set front Brembo Racing M029Z04, 2 pads per caliper, for GP4-RR 32/36 racing caliper	288,000	piece
3411A231P00-01	Brake pad set front Brembo Racing M497Z04, 2 pads per caliper, for M4 34/34 and GP4 RX 32/32 caliper, also fits BMW HP4	279,600	piece
3421A004A00-01	Brembo rear brake caliper P4 24/24, CNC machined, hard anodised, titan pistons, 262 gr., hole distance 64mm, offset 16,5mm, for brake pads 07934070 (49,75x30x7,6mm)	2,512,800	piece

3421A006A00-01	Brembo Racing rear brake caliper P2 34, nickel coated, CNC machined, weight 581 gr., hole distance 84mm, offset 10mm, brake pads included	1,234,800	piece
3421A010C00-01	Brake pad Brembo Racing 07934070 for rear caliper P4 24/24, B=49,75mm, H=30mm, T=7,6mm	217,200	piece
3421A100A00-01	Rear brake disc 220 x 4,0 mm for BMW OEM and racing wheel (magnesium or aluminium), in high-quality steel	291,600	piece
3421A101A01-01	Rear brake pad set sinter BMW S1000RR	44,400	set
3432A001A01-01	Rear brake line BMW S1000RR, silver, black fittings, clear protection tube, to be used without ABS, fits alpha Racing footrest system only, length 530 mm	117,600	piece
3432A005A01-01	Rear brake line BMW S1000RR, silver, black fittings, clear protection tube, to be used without ABS, fits alpha Racing footrest system and rear brake caliper mounted below swingarm, length 630 mm	122,400	piece
3432A006A01-01	Rear brake line BMW S1000RR, silver, black fittings, clear protection tube, to be used without ABS, fits OEM footrest system, length 630 mm	122,400	piece
3432A010A00-01	Front brake line set 3-piece BMW S1000RR, silver, black fittings, clear protection tube, not for ABS, IDM spec.	210,000	piece
3432A011A00-01	Front brake line set 3-piece f. ABS, Brembo brake calipers and Öhlins/Bitubo WSBK fork, silver, black fittings, clear protection tube	308,400	piece
3432A012A00-01	Front brake line set 3-piece for ABS according IDM and Superstock rules for stock fork, silver, black fittings, clear protection tube	308,400	piece
3432A013A00-01	Front brake line set 3-piece for Brembo caliper and WSBK fork Öhlins/Bitubo without ABS, silver, black fittings, clear protection tube	308,400	piece
3451A001A00-01	Cover ABS/DTC modulator BMW S1000RR, to be used when removing ABS hydraulic control unit, rubber padded, aluminum anodised, with alpha Racing Logo	46,800	piece

34527726896-01	Sensor ring rear wheel BMW S1000RR, OEM part 2010 version, steel, special alloy, ferromagnetic	57,600	piece
3631A001A00-01	Tubeless valve for racing rim, 90° angled, high quality aluminium silver, d=8,3mm	25,200	piece
3631A001B00-01	Street legal Kit (ABE) forged aluminium rims version 1, national type approval issued from German Kraftfahrtbundesamt (KBA), including brake discs front (5mm) and rear (4mm), ABS sensor ring front and rear, ABS/DTC sensor bracket front, rear sprocket T44 pitch 525, aluminium race valves 90° and necessary mounting parts	1,624,800	set
3631A001B01-01	Racing wheel set aluminium black powder-coated BMW S1000RR, front 3,50x17", rear 6,00x17", complete with sprocket carrier and rear brake disc adaptor for OEM disc, street legal with ABE!	3,459,600	piece
3631A001B02-01	Racing wheel set aluminium blue anodised BMW S1000RR, front 3,50x17", rear 6,00x17", complete with sprocket carrier and rear brake disc adaptor for OEM disc, street legal with ABE!	3,459,600	piece
3631A001C00-01	Street legal Kit (ABE) forged aluminium rims version 2, national type approval issued from German Kraftfahrtbundesamt (KBA), including brake discs front (5mm) and rear (4mm), ABS sensor ring front and rear, rear sprocket T44 pitch 525, aluminium race valves 90° and necessary mounting parts	1,624,800	piece
3631A002A00-01	Tubeless valve for stock rim, 90° angled, high quality aluminium silver, d=11,3mm	25,200	piece
3631A054A00-01	Sensor ring front ABS/DTC, magnetic steel nickel plated, hole circle 86mm, 6 holes d=8,2mm, fits OZ and Marchesini rims with hole circle 86mm, for rotor mounting	84,000	piece
3631A055A00-01	Sensor ring front ABS/DTC for racing rim BMW S1000RR, magnetic steel zinc coated, hole circle 80mm, 6 holes D8,2mm	84,000	piece
3631A056A00-01	Bracket wheel speed sensor ABS/DTC for racing rim BMW S1000RR, stainless steel	108,000	piece
3631A057A00-01	Sensor ring front ABS/DTC gold for racing rim, segment ring steel nickel plated, inner ring aluminium gold anodised	158,400	piece
3631A057A01-01	Sensor ring front ABS/DTC gold for racing rim, segment ring steel nickel plated, inner ring aluminium red anodised	158,400	piece

3631A057A02-01	Sensor ring front ABS/DTC gold for racing rim, segment ring steel nickel plated, inner ring aluminium black anodised	158,400	piece
3631A076A01-01	OZ Racing rim set, 3,5"/6,00"x17", 6 spokes, forged magnesium rim, black powder coated, Cattiva R	6,496,800	set
3631A080A01-01	OZ Racing rim set, 3,5"/6,00"x17" Piega R, 5 spokes, forged aluminum, black matt anodised, rear wheel anti slip coated, alpha Racing spec	4,340,400	set
3631A095A01-01	OZ Replica WSBK Limited Edition forged aluminum rim set (6 spokes), 3,5"/6,0"x17", special silver LT coloured, with engraving, serially numbered, only for racing purpose, with sprocket carrier for sprockets with centering hole 76mm, hole distance 100mm and brake disc carriers for OEM or alpha Racing brake discs, for BMW S1000RR, type K10,	4,696,800	set
4651A001A05-01	Short subframe, aluminium, BMW S1000RR, black, no ABS possible, to be used with Racing battery	1,596,000	piece
4651A005A00-01	Racing subframe light, replaces stock subframe, high quality welded construction, fits stock battery and fuse box, weight advantage 500g	583,200	piece
4651A100A00-01	Kit Pivot X -4mm/Y +1mm, black anodised, BMW S1000RR -2011, fits stock swing arm rod	520,800	piece
4651A100B00-01	Kit Pivot X -4mm/Y +1mm, blue anodised, BMW S1000RR -2011, fits stock swing arm rod	520,800	piece
4651A100C00-01	Kit Pivot X -4mm/Y +1mm, red anodised, BMW S1000RR -2011, fits stock swing arm rod	520,800	piece
4651A112A00-01	Kit Pivot X 0mm/Y -4mm, black anodised, BMW S1000RR 2012-, fits stock swingarm rod	520,800	piece
4651A113A00-01	Kit Pivot X -2mm/Y -3mm, black anodised, BMW S1000RR 2012-, fits stock swingarm rod	601,200	piece
4651A113B00-01	Kit Pivot X 0mm/Y -3mm, black anodised, BMW S1000RR 2012-, fits stock swingarm rod	520,800	piece

4651A114A00-01	Kit Pivot X 0mm/Y -2mm, anodised, BMW S1000RR 2012-, fits stock swingarm rod	520,800	piece
4651A115A00-01	Kit Pivot X 0mm/Y -1mm, anodised, BMW S1000RR 2012-, fits stock swingarm rod	520,800	piece
4651A205A00-01	Crashpad set left/right, BMW S1000RR -2011, for racing fairing, black	112,800	set
4651A205A01-01	Crashpad set left/right, BMW S1000RR -2011, for standard fairing, black	112,800	set
4662A100A01-01	Rear fender GRP/fiberglass white BMW S1000RR	127,200	piece
4662A100B01-01	Rear fender carbon fiber BMW S1000RR	250,800	piece
4663A090A01-01	Wind screen Racing, short, strong bended, clear, BMW S1000RR, for racing fairing kit, expanding rivets included	198,000	piece
4663A090A02-01	Wind screen Racing, long, strong bended, clear, BMW S1000RR, for racing fairing kit, expanding rivets included	198,000	piece
4663A090B00-01	Wind screen Racing spoiler, clear, BMW S1000RR, for racing fairing kit, expanding rivets included	198,000	piece
4663A090C00-01	Wind screen Racing, short, low bended, clear, BMW S1000RR, for racing fairing kit, expanding rivets included	198,000	piece
4663A090C01-01	Wind screen Racing, long, low bended, clear, BMW S1000RR, for racing fairing kit, expanding rivets included	198,000	piece
4663A090G02-01	Wind screen Racing, long, strong bended, smoky, BMW S1000RR, for racing fairing kit, expanding rivets included	198,000	piece

4663A091A00-01	Wind screen Sport clear BMW S1000RR, for OEM fairing, higher than stock	159,600	piece
4663A140B00-01	Race tail long carbon fibre BMW S1000RR –2011, 1-piece with integrated seat bench plate, for short alpha Racing rear subframe	1,051,200	piece
4663A140B06-01	Seat bench plate carbon fiber with rubber pad BMW S1000RR –2011, for race tail long with alpha Racing rear subframe	261,600	piece
4663A141A00-01	Race tail long GRP/fiberglass white BMW S1000RR –2011, 1-piece with integrated seat bench plate, for short alpha Racing rear subframe	589,200	piece
4663A141A06-01	Seat bench plate GRP/fiberglass white with rubber pad BMW S1000RR – 2011, for race tail long with alpha Racing rear subframe	229,200	piece
4663A141C00-01	Race tail long epoxy avio BMW S1000RR –2011, 1-piece with integrated seat bench plate, for short alpha Racing rear subframe	703,200	piece
4663A142A00-01	Race tail long GRP/fiberglass white BMW S1000RR 2012–, 1-piece with integrated seat bench plate, for short racing rear subframe	602,400	piece
4663A142B00-01	Race tail long carbon fibre BMW S1000RR 2012–, 1-piece with integrated seat bench plate, for short alpha Racing rear subframe	1,051,200	piece
4663A145A00-01	Race tail short fiberglass GRP white BMW S1000RR 2012–, for standard rear subframe and stock seat bench	404,400	piece
4663A145B00-01	Race tail short carbon fibre BMW S1000RR 2012–, for standard rear subframe and stock seat	699,600	piece
4663A150B00-01	Race tail short carbon fibre BMW S1000RR –2011, for standard rear subframe and stock seat	930,000	piece
4663A151A00-01	Race tail short GRP/fiber glass white BMW S1000RR, for standard rear subframe and stock seat bench	393,600	piece

4663A152A00-01	Race tail long GRP/fiber glass white for integrated seat bench plate BMW S1000RR, for standard rear subframe, including mountings for original subframe	541,200	piece
4663A152A01-01	Seat bench plate GRP/fiber glass 855 mm for race tail long with integrated seat bench, BMW S1000RR, for standard rear subframe	86,400	piece
4663A152A02-01	Seat bench plate GRP/fiber glass 875 mm for race tail long with integrated seat bench, BMW S1000RR, for standard rear subframe	144,000	piece
4663A152B00-01	Race tail long carbon fibre for integrated seat bench plate BMW S1000RR -2011, for standard rear subframe, including mountings, seat bench plate to be ordered separately	956,400	piece
4663A152B01-01	Seat bench plate carbon fibre 855 mm for race tail long with integrated seat bench, BMW S1000RR -2011, for standard rear subframe	127,200	piece
4663A152B02-01	Seat bench plate carbon fibre 875 mm for race tail long with integrated seat bench, BMW S1000RR -2011, for standard rear subframe	214,800	piece
4663A152C00-01	Race tail long epoxy avio white for integrated seat bench plate (see GRP) BMW S1000RR, for standard rear subframe, including mountings for original subframe	591,600	piece
4663A155A00-01	Race tail long GRP/fiber glass white for integrated seat bench plate BMW S1000RR model 2012-, for standard rear subframe, including mountings for original subframe	541,200	piece
4663A155A01-01	Seat bench plate GRP/fiber glass 855 mm for race tail long with integrated seat bench, BMW S1000RR model 2012-, for standard rear subframe	90,000	piece
4663A155A02-01	Seat bench plate GRP/fiber glass 875 mm for race tail long with integrated seat bench, BMW S1000RR model 2012-, for standard rear subframe	144,000	piece
4663A155A05-01	Support for race tail long GRP, 2012-, for standard rear subframe	163,200	piece
4663A155B00-01	Race tail long carbon fibre for integrated seat bench plate BMW S1000RR 2012-, for standard rear subframe, including mountings, seat bench plate to be ordered separately	956,400	piece

4663A155B01-01	Seat bench plate carbon fibre 850 mm for race tail long with integrated seat bench, BMW S1000RR 2012-, for standard rear subframe	136,800	piece
4663A155B02-01	Seat bench plate carbon fibre 870 mm for race tail long with integrated seat bench, BMW S1000RR model 2012-, for standard rear subframe	214,800	piece
4663A155B05-01	Support for race tail long carbon, 2012-, for standard rear subframe	194,400	piece
4663A155C00-01	Race tail long epoxy avio white for integrated seat bench plate (see GRP) BMW S1000RR 2012-, for standard rear subframe, including mountings for original subframe	543,600	piece
4663A180A00-01	Dashboard and fairing carrier, aluminium BMW S1000RR for stock dashboard	352,800	piece
4663A180B00-01	Carbon instrument and fairing carrier for stock dashboard BMW S1000RR	549,600	piece
4663A200B00-01	Fairing kit carbon 2-piece BMW S1000RR -2011, consisting of: upper part incl. side panels and air duct, lower part (belly pan), reservoir radiator, quick fasteners (pre-fitted)	2,214,000	set
4663A200B08-01	Fuel tank cover short carbon fiber BMW S1000RR -2011, for race tail long with alpha Racing rear subframe	289,200	piece
4663A200B21-01	DZUS fastener 14 mm, cpl.	8,400	piece
4663A200B22-01	DZUS fastener 17 mm cpl.	8,400	piece
4663A201A01-01	Fairing Kit GFK 2-piece white BMW S1000RR, consisting of: upper part including side panels and air duct, lower part (belly pan), reservoir radiator, quick fasteners (pre-fitted)	1,075,200	piece
4663A201A07-01	Front fender GRP/fiber glass white BMW S1000RR	136,800	piece

4663A201A08-01	Fuel tank cover short GRP/fiber glass white BMW S1000RR, for race tail long with alpha Racing rear subframe	194,400	piece
4663A201A20-01	Fairing mounting kit, BMW S1000RR, for fairing kit GRP, epoxy and carbon fiber, including 7 brackets and Dzus fasteners	238,800	set
4663A201B08-01	Fuel tank cover carbon fiber long BMW S1000RR –2011, for race tail short and standard rear subframe	264,000	piece
4663A201C01-01	Fairing kit epoxy avio 2-piece white BMW S1000RR –2011, consisting of: upper part including side panels and air duct, lower part (belly pan), reservoir radiator, quick fasteners (pre-fitted)	1,464,000	piece
4663A201C08-01	Fuel tank cover short epoxy avio white BMW S1000RR –2011, to be used with race tail long and alpha Racing subframe	246,000	piece
4663A202A08-01	Fuel tank cover GRP/fiber glass long white BMW S1000RR, for race tail short and long with standard rear subframe	226,800	piece
4663A202C08-01	Fuel tank cover long epoxy avio white BMW S1000RR –2011, for race tail with stock subframe	274,800	piece
4663A203A00-01	Radiator hose protection tube, Kevlar/Carbon, for fairing set	124,800	piece
4663A204A08-01	Fuel tank cover long GRP/fiber glass white BMW S1000RR model 2012–, for race tail short and race tail long for standard rear subframe, with air cooling ducts	226,800	piece
4663A204B08-01	Fuel tank cover long carbon fiber BMW S1000RR 2012–, for race tail short and race tail long for standard rear subframe, with air cooling ducts	361,200	piece
4663A204C08-01	Fuel tank cover long epoxy avio white BMW S1000RR 2012–, to be used with race tail short and original subframe	291,600	piece
4663A205A08-01	Fuel tank cover short GRP/fiberglass white BMW S1000RR 2012– for race tail long with alpha Racing rear subframe, with air cooling ducts	226,800	piece

4663A205B08-01	Fuel tank cover short carbon fiber BMW S1000RR 2012-, for race tail long with alpha Racing rear subframe	289,200	piece
4663A210A00-01	Front fender GRP/fiber glass white EVO1 BMW S1000RR, aerodynamically optimized, almost 20°C less temperature on the calipers	175,200	piece
4663A210B00-01	Front fender carbon fibre EVO1, BMW S1000RR, aerodynamic optimized, nearly 20° less temperature at the calipers	285,600	piece
4663A210B01-01	Front fender carbon fibre EVO1 for WSBK fork Öhlins/Bitubo, BMW S1000RR, aerodynamically optimized, nearly 20° less caliper temperature	285,600	piece
4663A212A01-01	Fairing kit fiberglass GRP 2-piece white BMW S1000RR 2012-, consisting of: upper part including side panels and air duct, lower part (belly pan), reservoir radiator, quick fasteners (pre-fitted)	1,075,200	piece
4663A212B01-01	Fairing kit carbon 2-piece BMW S1000RR model 2012-, consisting of: upper part incl. side panels and air duct, lower part (belly pan), reservoir radiator, quick fasteners (pre-fitted)	2,214,000	set
4663A212C01-01	Fairing kit epoxy avio 2-piece white BMW S1000RR 2012-, consisting of: upper part including side panels and air duct, lower part (belly pan), reservoir radiator, quick fasteners (pre-fitted)	1,464,000	set
4663A300A01-01	Swingarm protection kit carbon BMW S1000RR, left/right, incl. power glue	315,600	set
4663A300A04-01	Frame protection kit carbon BMW S1000RR, left/right, incl. power glue, -2011	466,800	set
4663A300A10-01	Race Fin chain/foot protector carbon BMW S1000RR	92,400	piece
4663A300B04-01	Frame protection kit carbon BMW S1000RR, left/right, incl. power glue, 2012-	466,800	set
4663A400A00-01	Radiator protection kit carbon BMW S1000RR, 2-piece left/right	160,800	piece

4671A001A01-01	Footrest system Racing, BMW S1000RR, to be used with inverted or standard shift pattern, special features for racing purpose, multiple adjustments possible	976,800	piece
4671A007A00-01	Heel protection left side BMW S1000RR, for alpha Racing footrest	81,600	piece
4671A008A00-01	Foot peg for alpha Racing footrest system, BMW S1000RR, right side	85,200	piece
4671A009A00-01	Foot peg for alpha Racing footrest system, BMW S1000RR, left side	85,200	piece
4671A010A01-01	Shift lever assy. with bearing and folding tip, BMW S1000RR, for alpha Racing footrest system	483,600	piece
4671A011A00-01	Foot brake lever assy. with bearing and folding tip BMW S1000RR, for alpha Racing footrest system	483,600	piece
4671A018A00-01	End cover for footpeg, BMW S1000RR, for alpha Racing footrest	1,200	piece
4671A025A00-01	Rubber sleeve for shift/brake lever, BMW S1000RR, for alpha Racing footrest system	2,400	piece
4671A030A00-01	Folding tip for foot brake lever, incl. spring and bolt, BMW S1000RR, for alpha Racing footrest system	154,800	piece
4671A031A00-01	Folding tip for shift lever, incl. spring and bolt, BMW S1000RR, for alpha Racing footrest system	154,800	piece
5114A001A00-01	Sticker triple clamp BMW S1000RR, carbon look, for OEM top triple clamp, -2011	27,600	piece
5114A002A00-01	Sticker fuel cap BMW S1000RR, carbon look, for OEM cap	30,000	piece

5114A003A00-01	StompGrip traction pad set BMW S1000RR, 4-piece, ultra clear proprietary elastomer material, aggressive volcano profile traction bumps, for better grip on the bike	117,600	piece
6113A001A00-01	Plug set 5-piece BMW S1000RR, to prevent failure codes when removing lights and side stand, consists of the following plugs: 2 x head lights, 1 x rear light, 1 x fuel tank sensor, 1 x side stand	165,600	piece
6113A001A03-01	Plug side stand, to prevent failure codes when removing side stand	48,000	piece
6121A000A00-01	Racing battery BMZ LiPo BMW S1000RR, lithium-polymer battery 4.6 Ah	636,000	piece
6131A009A00-01	Switch unit, 3 mono buttons, BMW S1000RR, CNC machined, aluminum black anodised, for handle bar diameter 22mm, without plugs, buttons white, black and blue	362,400	piece
6131A011A00-01	Switch unit 2-buttons, mono, left side mounting, cnc machined housing, aluminum black anodised, for handle bar diameter 22mm, without plug, upper mono button "UP" blue, lower mono button "DOWN" white	291,600	piece
6131A011B00-01	Switch unit 2-buttons, switch/mono, right side mounting, cnc machined housing, aluminum black anodised, for handle bar diameter 22mm, without plug, upper switch button "RUN" red, lower mono button "START" black	291,600	piece
6131A090C00-01	Conversion kit handlebar switches alpha Racing "plug & play", replaces left side switch by 5 button racing switch unit, right side switch by racing switch with starter button and killswitch as well as throttle housing, mode selection will be switched to left side	832,800	set
6131A090D00-01	Conversion kit handlebar switches alpha Racing for BMW HP4 "plug & play", replaces left side switch by 5 button racing switch unit, right side switch by racing switch with starter button and killswitch as well as throttle housing, mode selection will be switched to left side, easy connection with OEM style plugs, switch for ABS/DTC is removed	832,800	set
6131A100A00-01	Safety ignition-switch on/off BMW S1000RRwith plug for OEM loom	189,600	piece
6135A100A00-01	EWS antenna BMW S1000RR, with box for small service key and plug for OEM loom, to replace stock ring antenna	288,000	piece
6143A001A00-01	Charger system for racing battery BMZ with LED charge control, input voltage 100-240V	230,400	piece

71607715830-01	Receiver infrared HP for 2D laptimer, to be mounted on bike	429,600	piece
71607715836-01	Sender infrared HP for 2D laptimer	358,800	piece
7464A005A00-01	alpha Racing assembling assistance for mounting rear axle, aluminum anodised, with alpha Racing Logo	79,200	piece
7464A006A00-01	alpha Racing assembling assistance for mounting front axle, wrench size 24mm with hexagon socket set screw with spring loaded ball, aluminum anodised, with alpha Racing Logo	39,600	piece
7470A020A00-01	AIM Solo DL GPS Laptimer, integrated data logger, to display rpm, speed, various temperatures, gear as well as more options, easy installation plug&play, comes with connecting cables, charger, support bracket, software and manual	1,454,400	piece
77538522208-01	HP Race Calibration Kit, for individual adjustment of engine management and DTC (injection, ignition, traction control, shift response HP shift assistant, pit limiter, deleting adaptation values), perfect add-on for HP Race Power Kit ECU	238,800	piece
77538526204-01	HP Race Datalogger	1,339,200	piece
7753A000A00-01	GS-911 USB diagnose, software for BMW motorcycles + interface USB (PC), including software license english (Hardware Dongle), including free software updates for 1 year, Note: Limited to 10 chassis numbers for "service intervall resetting", all other functions are free	715,200	piece
8005A001A00-01	Bike cover alpha Racing BMW S1000RR black/silver, with alpha Racing and S1000RR logo in silver, transportation bag incl.	211,200	piece
8005A012A00-01	Bike carpet 240 x 105 cm, design start-grid and pole position, with alpha Racing logo and "RACING TEAM" labeling, 30°C washable	394,800	piece
8016A000A00-01	alpha Racing patch, embroidered, washable twill, 120x50 mm, linked border white	9,600	piece
8026A001A00-01	Team Watch Carbon Limited Edition, chronograph with Miyota high quality quartz clockwork (Japan), clock face out of real carbon with BMW emblem and serial number (001-600), black stainless steel case 316L, water resistant up to 50m, d=44mm, black leather strap with ingraved alpha Racing logo and white stitches, second black leather strap "slick	541,200	piece

8036A001A00-01	Key ring rocker arm BMW S1000RR, 3x1x1cm, clear coated, with BMW logo and key ring	38,400	piece
8063A001A01-01	Sticker S1000RR, transparent, logo red, 16x3,5 cm	4,800	piece
8123A001A01-01	Front stand aluminium BMW S1000RR, pick-up inside the holes of the fork bottoms, adjustable cursors, black anodized, with emblem	363,600	piece
8123A001A02-01	Front stand aluminium BMW S1000RR, pick-up inside the holes of the fork bottoms, adjustable cursors, blue anodized, with emblem	363,600	piece
8123A001B10-01	Rear stand aluminium BMW S1000RR, with Y-cursors, black anodized, with emblem	368,400	piece
8123A001B12-01	Rear stand aluminium BMW S1000RR, with Y-cursors, blue anodized, with emblem	368,400	piece
8123A010B02-01	Fixing sockets set for rear stand alpha Racing, black anodized, with alpha Racing Logo	24,000	pair
8123A010B03-01	Fixing sockets set for rear stand alpha Racing, silver anodized, with alpha Racing Logo	24,000	pair
8330A010A00-01	alpha Racing valve key tool, for dismounting and mounting of valve key with exchangeable insert for 5mm and 6mm valve shaft diameter	170,400	piece
8330A025A00-01	Tool for wheel shaft front for Bitubo RDH/Öhlins FGR fork	187,200	piece
8330A030A00-01	Diamond grinding pad, fine, perfect for cleaning and grinding brake discs	151,200	piece
8330A030B00-01	Diamond grinding pad, medium, perfect for cleaning and grinding brake discs	151,200	piece

8330A050A00-01	Engine stand S1000RR alpha Racing, made of stainless steel, microblasted, with 3 star knob screws and handle bar grips, for storing and transport of BMW S1000RR engines	690,000	piece
8331A003A00-01	alpha Racing piston height measurement tool, including dial gauges and brackets	1,023,600	piece
8331A009A00-01	Clutch tool STM, tool for locking the clutch when tightening the center nut	265,200	piece
8550A000A00-01	Tyre warmer set Superbike Advanced (front 120x17" and rear 195/200x17") 220/240 Volt, 80°C high precision thermostat, with alpha Racing logo	1,243,200	set
8771A001A00-01	Ride height tool kit alpha Racing with pivot insert for bikes –2011, pivot insert 2012–, bushing for fitting to the frame, center pin for rear axle, lockable box with alpha Racing logo, wave foam in cover, cut foam in bottom	1,282,800	set
AR-11001AT-01	ARROW db killer fits racing silencer competition full system AR-61002/3AT, BMW S1000RR	118,800	piece
AR-5930116-01	ARROW db killer fits racing silencer competition full system AR-61005AT, BMW S1000RR	118,800	piece
AR-5930130-01	ARROW db killer fits racing silencer competition full system AR-71105/6CKR, BMW S1000RR	118,800	piece
AR-61001AT-01	ARROW silencer slip-on BMW S1000RR, with titanium sleeve and carbon end cap, with EC approval	1,016,400	piece
AR-61003AT-01	ARROW racing exhaust system stainless steel Superstock/IDM '10 version BMW S1000RR, no catalyst, consists of: collector and mid pipe in stainless steel, silencer with titan sleeve and carbon end cap	2,241,600	piece
AR-61005AT-01	ARROW racing exhaust system titanium Superstock/IDM '10 version BMW S1000RR, no catalyst, consists of: collector, mid pipe d=65 mm, silencer with carbon end cap, carbon clamp and carbon support bracket, incl. db-killer	3,270,000	piece
AR-71105CKR-01	ARROW racing exhaust system Evo-2 stainless steel, Replica SBK full system, BMW S1000RR, no catalyst, consists of: collector, mid pipe d=54/58 mm, silencer with titanium sleeve and carbon end cap, incl. db-killer	2,546,400	piece

AR-71106CKR-01	ARROW racing exhaust system Evo-2 titanium, Replica SBK full system, BMW S1000RR, no catalyst, consists of: collector, mid pipe d=54/58 mm, silencer with carbon end cap, incl. db-killer	3,439,200	piece
AT-K10-KH06-01	License plate bracket stainless steel BMW S1000RR, black coated, for OEM or accessory flash lights	199,200	piece
BI-997608-01	BITUBO grease PTFE 30gr.	36,000	piece
BI-997615-01	BITUBO grease silicone 80gr., for rear shock seals	75,600	piece
BI-997630-01	BITUBO fork oil SAE 2.5 fully synthetic 1ltr.	55,200	liter
BI-997637-01	BITUBO fork oil SAE 0W30 fully synthetic 1ltr.	56,400	liter
BI-BW038ECH29-01	BITUBO ECH 29 pressurized fork cartridge kit BMW S1000RR, asymmetric design of rebound and compression damping 24 clicks each, adjustable spring preload, springs and fork oil included	2,750,400	piece
BI-BW038YCE09-01	BITUBO YCE 09 fork cartridge kit BMW S1000RR, adjustable rebound damping and spring preload, modified compression adjusters for high- and lowspeed, springs and fork oil included	2,192,400	set
BI-BW039XXF31V2-01	BITUBO XXF31 V2 racing rear shock BMW S1000RR, adjustable compression (highspeed 20 clicks/lowspeed 24 clicks) and rebound (lowspeed 24 clicks), hydraulic preload adjustable by hex nut 20 clicks (10mm), adjustable length 8mm, with ABE	2,328,000	piece
BI-BW039XXFB1-01	BITUBO XXFB1 racing rear shock BMW S1000RR, adjustable compression (highspeed 20 clicks/lowspeed 24 clicks) and adjustable rebound (highspeed 20 clicks/lowspeed 24 clicks), pneumatic preload adjustable by 10 turns (10mm), adjustable length 8mm	2,736,000	piece
BI-BW041XXF31V2-01	BITUBO XXF41 V2 racing rear shock BMW S1000RR 2012-, adjustable compression (highspeed 20 clicks/lowspeed 24 clicks) and rebound (lowspeed 24 clicks), hydraulic preload adjustable by hex nut 20 clicks (10mm), adjustable length 8mm, with ABE	2,328,000	piece
BI-BW041XXFB1-01	BITUBO XXFB1 racing rear shock BMW S1000RR, adjustable compression (highspeed 20 clicks/lowspeed 24 clicks) and adjustable rebound (highspeed 20 clicks/lowspeed 24 clicks), pneumatic preload adjustable by 10 turns (10mm), adjustable length 8mm	2,736,000	piece

BI-FC014RDH24-01	BITUBO RDH pressurized front fork Superbike, separated rebound and compression damping 24 clicks each, hydraulic spring preload adjustment, specially treated CrSi steel springs	#####	set
BI-GR4343-01	Bitubo pneumatic tank for adjusting the preload on rear shock XXFB1	445,200	piece
BI-KIT131-A1-01	BITUBO SSW steering damper kit BMW S1000RR –2011, pressurized system, 18 clicks adjustable, CNC machined in high-quality aluminium red anodized, incl. mounting parts	622,800	set
BI-KIT164-A1-01	BITUBO SSW steering damper kit BMW S1000RR 2012–, pressurized system, 18 clicks adjustable, CNC machined in high-quality aluminium red anodized, incl. mounting parts	622,800	set
BI-MX02-01	BITUBO fork springs for KDX-RDX-YCE, k=0,90kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	247,200	set
BI-MX03-01	BITUBO fork springs for KDX-RDX-YCE, k=1,0kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	247,200	set
BI-MX04-01	BITUBO fork springs for KDX-RDX-YCE, k=1,1kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	247,200	set
BI-MX06-01	BITUBO fork springs for KDX-RDX-YCE, k=0,95kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	247,200	set
BI-MX07-01	BITUBO fork springs for RDH-ECH, k=0,80kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	273,600	set
BI-MX08-01	BITUBO fork springs for RDH-ECH, k=0,85kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	273,600	set
BI-MX09-01	BITUBO fork springs for RDH-ECH, k=0,90kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	273,600	set
BI-MX10-01	BITUBO fork springs for RDH-ECH, k=0,95kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	273,600	set

BI-MX11-01	BITUBO fork springs for RDH-ECH, k=1,00kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	273,600	set
BI-MX12-01	BITUBO fork springs for RDH-ECH, k=1,05kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	273,600	set
BI-MX13-01	BITUBO fork springs for RDH-ECH, k=1,10kg/mm, L=245mm, external diameter=36 mm, incl. fork oil	273,600	set
BI-W150K08501-01	BITUBO replacement spring k=85kg/cm, l=150mm, di=58mm, red	247,200	piece
BI-W150K09001-01	BITUBO replacement spring k=90kg/cm, l=150mm, di=58mm, red	247,200	piece
BI-W150K09501-01	BITUBO replacement spring k=95kg/cm, l=150mm, di=58mm, red	247,200	piece
BI-W150K10001-01	BITUBO replacement spring k=100kg/cm, l=150mm, di=58mm, red	247,200	piece
BI-W150K10501-01	BITUBO replacement spring k=105kg/cm, l=150mm, di=58mm, red	247,200	piece
